Dear Mr. Ives:

On April 10, 2001 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 24, 2001 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-On Schedule B of your report, you have disclosed contributions to or expenditures made on behalf of a federal candidate for which you have failed to provide the office sought. Please amend your report to include the missing information. Please note, the designation of House, Senate or President must be included when identifying "office sought" for federal candidates. (11 CFR §104.3(b)(3)(v))

An adequate response must be received at the Commission by May 23, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
